Mr. Ames is strongly in favor of Twin-Tech's two session program. He feels that the Twin-Tech system enables students to prepare themselves for the working world, and also to achieve better academic skills

Mr. Ames says it is great to work with Twin-Tech's dedicated faculty. He feels that the mutual cooperation of students and faculty members is excellent. Mr. Ames also says, "The morale of all of us, students and teachers, has never been better." He feels that today's youngsters are great to work with, and that only two percent of the student body presents any problems.

During his retirement, Mr. Ames plans to take life easy. He plans to do some traveling with his wife and also do some fishing, gardening, and wood working. His retirement plans also include boating and meeting new people.

So from all of us, to you Mr. Ames, Happy Retirement and good luck!!!

## J.V. BOYS BASKETBALL

Tech Memorial's Junior Varsity Basketball team was a little disappointing for the season of 78-79. This team, however did learn the importance of team play and started to mature near the end of the season. Don Pius was named the most improved player, with Floyd Rush taking a close second. Derrick Gore started a promising season, but was sidelined because of an injury. The team consisted of more ninth graders than previous years; therefore much experience was gained for next year's play.

Tom Pochatco, Bruce Desautels and Aubrey Favors all missed around 1/2 of the season due to injuries.

Chris Polaski, Lisa Robaskiewicz, Carol Rachocki, Sue Ananea and Kim Litz were the starting 5 singles players, while Chris Wolski and Patty Wright were dependable substitutes. Carol Rachocki and Sue Ananea did well in the District 10 doubles, winning 3 matches but finally lost in the Semi-finals of the consolation record. The Tech Baseball Team finished the season with an overall record of 10 wins and 8 losses and a 3rd place finish in the Metro League. Inexperience at the beginning of the season hurt the Centaur cause, but as the season progressed the young team played better and showed that they will be a title threat next season. Highlight of the season was a big doubleheader victory over Franklin at Franklin in which the team scored 25 runs and hit four homeruns.

Top letter on the team was Kevin Litz with an average of .386 plus another All-City selection and also he was voted Top Defensive award. Following closely was Tony Finotti with an average of .375 as the starting catcher. Bill Becker was an All-City selection at 2nd base with a batting average of .310. Top pitcher was Tony Donikowski who recorded five victories during the season. Another fine season was turned in by shortstop Randy Mazzacco. Mark Sutkoff concluded a good four-year career at Tech as a starting pitcher and outfielder.

## J.V. FOOTBALL

Our J.V. Football team got off to a slow start losing its first three games but came on strong to win five out of the last seven outings. Overall our record was five wins and five loses. Each of our five loses was decided by a touchdown or less. We scored more points than any other team in the Metro League and our prospects for the 1979-1980 campaign are bright.

Kevin Litz swerves around our end.

Although the Centaurs finished with a fine 8-2 record in 1978, the lack of ability to "get the job done" in the Academy game cost us a Metro championship. The Green and White were hurt by their own errors and horrible field position in the second half.

After the Academy debacle, the Centaurs ran off 5 straight victories and ended the season averaging 27

points per game.

The All-Metro Team was led by seniors Kevin Litz,
Pat Erdman, Mike Smith, and Pete Kaiser. Juniors
making the first team were Ron Costello, Pat
McAndrew, and Amos Tate.

Amos was also the leagues leading scorer with 104 points.
